

SHELBY F-150 TRUCK

ALL NEW 2021 SHELBY F-150 IS HERE AND COMING TO EUROPE!

We bring you the all new 2021 Shelby F-150 Truck for the European Market and surrounding countries.

The 2021 Ford F-150 is purpose-built to be the toughest, most productive F-150 ever and Shelby takes the truck to the next level.

The all-new Shelby F-150 delivers the rugged capabilities needed for outdoor adventure and every bit of the sophistication for a night on the town. Standing tall, the Shelby F-150 is built to move with confidence over most any terrain with 395 horsepower and an optional supercharger boosts the V8 engine to 775* horsepower.

*Horsepower quoted can differ due to the European Specific Build specifications.
